For the next 45 days you can buy all of the above named

attending school there.

cold, was compelled to cease his work at the  
Great Western for a few days.

Ed. Clark relieved Fireman M. Carney,  
of the freight train, several days this week. Mr.  
Carney is suffering with a cold.

C. Flaig brought a car load of milch  
cows here from Hingham, Wis., and readily dis-  
posed of the entire lot, this week.

Max Berlowitz, who is soon to open a  
gents' furnishing store here, departed yesterday  
for Chicago and the east to buy goods.

Ed. Mitchell, foreman of Parks' camp  
No. 1, on the Michigamme river, comes to town  
occasionally and last Saturday was one of the  
occasional ones.

talented and popular surveyor did some work  
in Crystal Falls last Saturday and did not forget  
to register at this office.

sentative citizens, were called to Iron River on  
legal business early this week.

tendent of the Youngstown mine, and E. J. Gil-  
bert, assistant superintendent of the same prop-  
erty, called on THE DIAMOND DRILL on Wednes-  
day.

Summer Hopkins went into Florence on  
Sunday and out again on Monday. Summer is  
getting real well acquainted with Florence and it  
is not unsafe to surmise that some day there will  
be more to him when he returns than there was  
when he went.

Otto F. Riebel, Iron River township's  
accommodating and popular supervisor, was a  
visitor to the Falls on Wednesday. He was not  
backward in showing his appreciation of THE  
DIAMOND DRILL; two Martha Washingtons left  
at this office in evidence of that.

The Washington Life Insurance Co's  
ablest representative, Joseph M. Thorn, of Mar-  
quette, talked sensibly of the merits of that com-  
pany to the Crystal Falls people several days  
this week and also called at this office. Mrs.  
Thorn accompanied her husband here.

Frank Tilton, the venerable editor of  
the Green Bay Advocate, Wisconsin's oldest news-  
paper, was at the Falls on Thursday and hon-  
ored THE DIAMOND DRILL office with a call.  
It is three years since Mr. Tilton was last here,  
and says the town has improved greatly in that  
time, but predicts a greater growth now that it is  
represented by a live newspaper.
